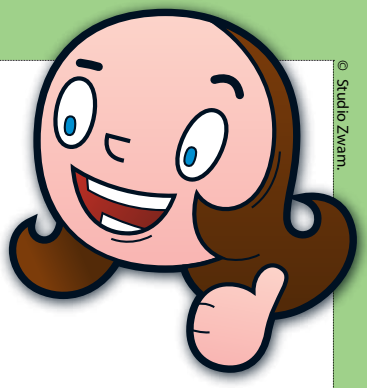
KWALITEITENSPEL

DE TALENTEN VAN JE KIND



© Studio Zwam.

HOE SPEEL JE?

1. Knip de kaartjes uit en leg ze open op tafel.
2. Kies vijf talenten waarvan jij vindt dat ze bij je kind passen. Bespreek ze (Wat denk je dat ik daarmee bedoel? Herken je deze kwaliteit bij jezelf? Hoe? Wat vind je daarvan?).
3. Doe de oefening opnieuw. Je kind kiest nu vijf kwaliteiten van zichzelf. Of het kiest jouw talenten, of die van zijn broer/zus.
4. Je kan ook op om de beurt blind een kaartje kiezen en bespreken. Maak zelf extra kaartjes voor talenten die je hier niet tussen vindt.
